

# Private Climate Finance 101 Bibliography

## Climate Policy Initiative (2013) [The Global Landscape of Climate Finance 2013](#)

An assessment of the current status of the climate change-related finance, mapping various flows including sources of finance, intermediaries involved in distribution, financial instruments, and final uses.

## Heinrich Böll Stiftung and the Overseas Development Institute (ODI) [Climate Funds Update](#)

A joint initiative of the Heinrich Böll Stiftung and the Overseas Development Institute (ODI). This website profiles the growing number of international climate finance initiatives designed to help developing countries address the challenges of climate change. It includes data on bilateral and multilateral funds, as well as a series of useful briefings and reports.

## Singh, K (2010), [Fixing Global Finance : A Developing Country Perspective on Global Financial Reforms](#)

A critical introduction to the recent developments and problems afflicting the global financial system. From a developing country perspective, it enunciates guiding principles and offers concrete policy measures to create a more stable, equitable and sustainable global financial system.
